## **SHL Assessment guidelines**

### **Dos and Don'ts for Students-**

- Assessment duration will be 90 minutes.
- Assessment link will be generated upon submission of job application. Please make sure you note down the login ID & password used for submitting the application.
- You will need to complete the assessment in the assigned slot/location.
- You must carry a photo id or Campus issued ID card.
- You should reach out test venue 30 minutes prior to the assessment start time. Late comers will not be allowed to take the assessment.
- **Students are required to use only the Campus email id with their full name (as per the application) while registering for the Natwest assessment test. No other email id or short names should be used**
- Laptop / system should be enabled with Microsoft Edge & Chrome browsers. Webcam / micro phone should be functional. Cache should be emptied before starting the test and this will be the responsibility of the student to ensure that this is done prior to start of assessment
- You should carry a Pen/ Pencil for solving questions.
- You will not be allowed to use mobile phone, calculator during the assessment
- The rough sheet that is issued for solving questions should be handed to the invigilator (should not carry outside the test centre)
- Make sure your assessment is being submitted before leaving the floor
- Do not discuss anything with your fellow students
- There is no negative marking to any question, make sure that you attend all of them
- Students are not allowed to forward or share access of the Job application to others
- At no point a student should do tab switching, copy pasting or access any other site or person to get help. **Defaulters will be disqualified and will not be considered for the complete placement process for the complete season & no exceptions are allowed.**
- There is no assurance of retest /reconsideration in case a student drops the test or fails the test due to any of the above reasons.
- For any technical support please reach out <https://www.shl.com/about/company/contact/#support> Candidate support (Chat bot)
- In case of any further escalations, please contact the invigilator.
- Natwest group reserves the right to review & change the above-mentioned test guidelines without any prior notice.

### **Invigilator Guidelines:**

- You should reach out test venue 45 minutes prior to the assessment start time.
- Student ID proof should be checked before they start the assessment.
- Invigilator to share the test link only to the students who are present in the assessment centre.
- Get the attendance sheet signed by the students and submit to the Natwest spoc within 30 mins from the start time of the assessment.
- Carry your pen/ pencil, laptop.
- Collect the rough papers from the students before they leave the test centre
- Make sure that the student has signed out after taking the assessment (In case if test taken from the lab)
- In case you want to take a break, please ensure that the fellow invigilator is in the room.
- Any malpractices to be notified immediately to the Natwest spoc
- Invigilator to ensure students who are not in the assessment centre do not have access to the test link.
