EIL is considering recruitment in the following discipline(s):

1.	Civil Engg. (with specialization in area of Earthquake Engineering, Structural Dynamics, Advanced Structural Analysis & Design, Wind Engg, Finite Element Method)

Candidates having requisite qualification can only apply for the aforementioned disciplines/specialization required. If the candidate applies in any other discipline apart from the above-mentioned disciplines, their applications will not be considered.

Students securing minimum 65% Marks in B. Tech & M. Tech (till last declared result) will only be considered. Wherever CGPA/OGPA/CPI or letter grade in a qualifying Degree is awarded, equivalent percentage of marks should be indicated as per the norms adopted by University/Institute. Candidate will be required to submit documentary proof/certificate from the institute/University.

In case, the candidate is not able to produce the documentary proof /certificate from the Institute/University in support of the percentage marks entered, the percentage will be calculated as per the table given below:

Percentage of Marks	**Equivalent CGPA / OGPA/CPI on scale of**						
	10	9	8	7	6	5	4
65%	7	6	5.3	4.6	4	3.3	2.5

In addition, the students should have passed in all subjects till the last declared result. However, *all* the candidates satisfying the minimum eligibility conditions may not be shortlisted for the interview.

The students should not be more than 27 years (relaxed to 32 years in case of SC/ST candidates and 30 years in case of OBC (Non-Creamy Layer) candidates as on 01.07.2026. Upper age limit for Persons with Disabilities (PWD) candidates is relaxable by 10 years. Persons with 40% or more Disabilities shall be eligible for relaxation.

Students should apply on-line by filling up the desired details in the format available in the website (website link and methodology mentioned below.
